

My God Is So Big

My God is so big,

So strong and so mighty.

There is nothing my God cannot do!

(repeat)

He made the tall mountains.

He made the wide seas.

He made everything for you and for me.

My God is so big,

So strong and so mighty.

There is nothing my God cannot do for you!

God Made the Big Round Sun

God made the round sun.

God made the tall, tall trees.

God made the birds that fly,

And God made me!

Look All the World Over

Look all the world over there's no one like me,

No one like me, no one like me.

Look all the world over there's no one like me.

There's no one exactly like me.

Some people are tall and some people are small.

God loves them all. God loves them all.

Some people are tall and some people are small,

But there's no one exactly like me.

Look all the world over there's no one like me,

No one like me, no one like me.

Look all the world over there's no one like me.

There's no one exactly like me.

Verse 3

It isn't any trouble just to G-I-G-G-L-E
